### New Council Member

#### New Member of Council Appointed by Lieutenant Governor in Council

On behalf of the College, I am pleased to welcome Ms. Wangari Muriuki to Council. Ms. Muriuki was appointed by the Lieutenant Governor in Council on September 28, 2016.

#### **Wangari Muriuki** **Appointed by Lieutenant Governor in Council**

An experienced leader in the healthcare and social service sector, Wangari has mastered the art of strategic direction and corporate positioning within the not for profit sector. She is currently the Accreditation Consultant for both the Massey Centre for Women and Across Boundaries. Her dynamism and ingenuity have enabled her to guide several organizations through Quality Improvement and service enhancement culminating in their full accreditation recognition within their sectors. Originally from Kenya, Wangari has a diversified professional career. After pursuing her BA in Communications/Journalism at the City University of New York, she began her career as a Communications and Personnel Manager for a large architectural firm in New York City. After several positions of increasing responsibility, Wangari had a career change that catapulted her into Social Work in the early 90's which culminated in her move to Toronto to work with new Canadians at the height of the HIV/AIDS pandemic. She held a management role at Central Neighbourhood House working with seniors in the home care sector. Wangari progressed to the area of mental health and homelessness and was in a senior leadership role at Street Health Community Nursing Foundation. In 2010, Wangari made another career change and worked for a City Councillor in the City of Toronto. Having that wide range of experience and expertise has enabled her to establish herself as an Accreditation and Quality Improvement Consultant. Wangari works with clients from the public and non-profit sectors, offering her expertise in governance, service quality, client care, public relations, strategic and crisis communications, media relations and staff training. What sets Wangari apart in her field is the positive impact she has on her clients and her philosophy that "puts people first". Wangari considers volunteering an integral part of her lifestyle. She champions the advancement of women in the political arena. She serves on a number of boards of associations and charities. A firm believer in balancing work and personal life, Wangari recognizes the importance of family and balances the demands of solo parenting and career.

On behalf of the College, I would like to thank Ms. Muriuki for her interest in contributing to the mandate and work of the College. We look forward to an enjoyable, productive association over the coming years.

Sincerely,

Dr. Glenn Pettifer
