OPEN CONSULTATION

Standard of Practice: Advertising and Standard of Practice: Confidentiality and Privacy

March 21, 2017

Dear Stakeholder,

At its March 3rd, 2017 meeting, the Council of the College of Denturists of Ontario approved drafts of the Standard of Practice: Advertising and the Standard of Practice: Confidentiality and Privacy for stakeholder consultation.

- [Standard of Practice: Advertising](#)
- [Guide to the Standard of Practice: Advertising](#)
- [Standard of Practice: Confidentiality and Privacy](#)
- [Guide to the Standard of Practice: Confidentiality and Privacy](#)

The format of these draft Standards is different from the format of previously circulated Standards. In this new format, the Standard contains only the essential expectations and the Guide provides information that will assist individuals with interpreting and meeting the expectations that are articulated in the Standard.

Please take a few minutes to review the draft Standards and accompanying Guides. Once you have reviewed the documentation, you may complete the short surveys if you wish to provide comments, feedback or have questions. Standard setting benefits from the input of all stakeholders and the College Council thanks you in advance for your contribution.

Your feedback is requested on or before **Tuesday May 23rd, 2017.**
